

Bible Study Notes on (John 20:24-31)
3rd April 2016

- Why do you think Thomas had to see the material evidence to believe it was Jesus?
- What kinds of things cause you to doubt?
- How do you turn your doubt into faith?
- What is the role of "doubt" in your life?
- How is doubt a good thing?

- Is there a point at which doubt begins not to be a good thing anymore? Is there a "line" it can cross?

- Can doubt lead to a paralyzing of one's faith?

May the lord be your encouragement in the World of many challenges.
