

## Small group Questions Acts 5 : 12-42

1 Who in your entire life was quickest to offer disapproval? And can you laugh about it now?

2 Did anyone criticise your teenage style, your parenting, your accent or your dancing!!

This social control is ungodly and was handled by the disciples in what I call the train crash method:-

3 Going this way > Disciples – explain their actions, values and behaviour.

4 Coming the other way < The Sadducees – explain their actions, values and behaviour.

5 How should we handle sneering, cynicism, ridicule and social control?

6 Keep on talking about the **Life**. Give each other current examples of Generous Sharing, Healing People, Freedom from unclean spirits and past hurts & Witness how it feels to be part of the Life.
