

## Small group study notes - 24<sup>th</sup> April 2106 - Refreshing the vision

1. Have you heard any stories of transformation recently? Share testimonies from your own life, or talk about a situation that you have heard of, where God brought transformation. You may like to use one of these videos as part of your discussion:

<https://youtu.be/GpOXLRMJVdw> Shane Taylor's testimony

2. How does transformation occur?

Read Luke 4: 14 – 21

3. Here we read Jesus mandate for bringing in the Kingdom of God. Talk about the different ways in which Jesus fulfilled this mandate.
4. Are those things still relevant/needed today? What do we see in the world around us that needs God's transformation? (Big question!!!)
5. How can we be agents of change in our local community?
6. Do you see any signs of transformation where you are spending your time? As a group, pray into those situations, and ask God for opportunities to demonstrate that the Kingdom of God is at hand.
7. Are there any areas of your life where you would love to see a transformation? (e.g. a deeper friendship with God, freedom from sin in a particular area, a healing, greater boldness to live for Jesus). Pray into those things together.
