

## Small Group questions – 6<sup>th</sup> November 2016

### The Lord our peace

Read Judges 6: 1 - 35

1. How did the Israelites come to be in this time of conflict?
2. How did the revelation of 'Jehovah Shalom' to Gideon equip him for his commission? (v. 14, 24)
3. Gideon felt that God had abandoned his people (vs. 13). How does the Lord's response answer that claim? (vs. 14)
4. What encourages us that God is still with us when we feel abandoned?
5. Why do you think sin destroys our peace? How does this weaken our position in the spiritual battle?
6. Read Isaiah 41: 10. What reason is given for us not to fear? How does this help us fulfil the commission that we have to continue the work of Jesus?

Share any areas of your life where you need to know the peace of God, and pray about these issues. Pray too for a broken world to experience the Shalom peace that only the Prince of Peace can bring.

If you are able to, listen to 'No longer slaves' together (here is a link: <https://vimeo.com/151204400> ). As you do so, allow God to minister his peace to you.
