

Bible Study (Philippians 3:7-14) – Sunday 22nd January 2017

1. Have you ever experienced peace from giving up the pursuit of success? Is there anything you are striving for right now that might not be part of God's plan for you?
2. Paul mentions his advantages in verses 5 and 6. Why does he say here that those advantages are worth nothing?
3. How do you compare your knowledge of Christ with all the other things in your life?
4. What are your priorities in life?
5. What does it mean to "know" Christ (3:10)? How is your progress in your relationship with Christ?
