Update from The Morgans in Uganda

We are excited to report that Simon Morgan will be embarking on a new building project with Mission Direct in 2017. In collaboration with "The Chilli Children Project", Mission Direct will be helping to build a rehabilitation and community centre for disabled children. The centre will provide the care facilities they so deserve - giving them a place where they can know that they are loved and valued. Details of the associated Mission Direct team trips will be published in the next Spotlight newsletter.

Please continue to pray for Simon and Sue as they serve in Uganda in Jesus' name.

Please note that CYFA won't be meeting through the summer holiday.
Please pray for our Young People as they go to Soul Survivor this summer.
CYFA will start up again in September.

The Alpha Course Starts Tues 27th Sept
