We Are Family - The Gift Of Leaders

1 Peter chapter 5 verses 1- 11

=====
Peter closes his letter to the scattered Christians in the churches of Asia Minor with some final instructions. He counsels the elders about how to lead, includes how and why to live in humility with other, and gives a warning to be clear-minded and alert.

In this chapter we see Peter as a changed man compared to the Gospels. He has been transformed by Jesus and his reactions are so different compared with his old life.

Although this is written to leaders it is for everyone, to help us in our daily walk with Jesus.

Bearing this in mind look at the following questions and see how they apply to us at St. Mary's.

- 1) (verses 1- 4) What are the characteristics of a good shepherd (leader) according to Peter? Do you think this is only for leaders?
- 2) (verse 5) In what particular ways can you be an example to those who might look up to you or those whom you may influence?
- 3) (verses 6 - 9) What four things does Peter tell the church to do? Give the reasons and the results of each action.
- 4) (verses 10 - 11) What do we learn about our Heavenly Father from these verses?
