All together now! The Church  
Acts Chapter 2 verses 42 - 47

Our experience of the church may vary from excellent to frustrating. But whatever our experience, we need to return to the Scriptures to refresh our vision for the church and its mission. What we see in Scripture is the standard for both fellowship and mission that can fill us with renewed hope and commitment to God's people. With this in mind look at the following questions.

=====

- 1) The church's mission and message created a fellowship. How would you describe that first fellowship of believers? Do we have that kind of fellowship at St. Mary's?
- 2) There were larger worship gatherings at the temple and smaller gatherings in the homes. Why are they both important?
- 3) In verse 43 it speaks of people being "filled with awe" and "many wonders and miraculous signs". Do we expect these to happen today?
- 4) In verse 47 it says "the Lord added to their number daily those who were being saved". What is our role and what is God's role in the growth of the church?
- 5) In what way could our church benefit from the example of the early church described in these verses?
